Hi Ben,

I just sent you the zip folder through Hightail with the WLL site chronology. Let me know if you were able to retrieve it.

Thanks!

Kirby

Hi Terrie,

Thanks for the email.

I'm not seeing any attachment – looks like our server removed it. I'll see what I can do on our end, but may need to have it resent. I'll let you both know.

Hi Ben,

Per your request, the source document for the chronology graphic is attached. If you have any questions, please contact Kirby Webster. I will be out of the office this afternoon. I can be reached by phone, but I might not be able to be as responsive as Kirby. The pdf can be edited with Acrobat pro –the recommended option if the edits are text. Otherwise, the fonts are included in the attached zipped folder.

Thanks.

Terrie
